This Notice to Noteholders and Request for Noteholder Consent (this "Notice") is being provided by ECMC Group Student Loan Trust 2017-2, as Issuer, for the purpose of soliciting Noteholder consent to the attached First Supplemental Indenture to the Indenture dated as of August 10, 2017 among the Issuer, the Indenture Trustee and Manufacturers and Traders Trust Company, not in its individual capacity, but solely as eligible lender trustee on behalf of the Issuer.

Background

The interest payable under the Notes is currently based on One-Month LIBOR, which rate is currently contemplated to not be available after 2021. The Indenture provisions currently applicable to determining a replacement rate of interest in the event LIBOR ceases to be available provide that LIBOR in effect when it is last available will apply to all future interest calculations, effectively fixing the Note interest rate. This may yield a result inconsistent with what would have applied had LIBOR continued to be available and which may not be satisfactory to either the Issuer or the Noteholders. Approval by the Noteholders of the First Supplemental Indenture would amend certain procedures applicable to the determination of interest payable under the Notes upon a discontinuance of LIBOR, similar to the procedures proposed by the Alternative Reference Rates Committee (“ARRC”), a group of industry participants convened by the Board of Governors of the Federal Reserve System and the Federal Reserve Bank of New York.

Consent of all the Noteholders is required to approve the First Supplemental Indenture.

The Issuer intends to take the position that the amendments set forth in the First Supplemental Indenture should not give rise to a “significant modification” of the Notes and, therefore, should not result in a deemed exchange of a Noteholder’s “old” Notes for “new” Notes for U.S. federal income tax purposes.

The above U.S. federal income tax discussion is included for general information purposes only. Noteholders should consult their tax advisors to determine the tax consequences of the adoption of the proposed First Supplemental Indenture in light of their particular circumstances, including the application of a U.S. federal, state and local tax laws and non-U.S. tax laws.

The Amendments

The proposed form of First Supplemental Indenture, which sets forth the proposed amendment, is attached, as Exhibit A. Copies of the Original Indenture are available from the Trustee upon request at the address shown on page 1 of this Notice.

Additional Details

Consents must be electronically delivered in accordance with DTC’S ATOP procedures.

Trading is permitted to continue throughout the consent period with Non-Blocking in place.

No consent fee will be paid to the Noteholders to submit consent on the Consent Solicitation.

Noteholders may consent with respect to Note positions in increments of \$1.00.

Upon execution thereof by or on behalf of Noteholders, Consents shall be irrevocable, provided, however, that this solicitation may be discontinued or abandoned by the Issuer for any reason, in which case the Noteholder Consents, even if executed, and the solicitation thereof may be cancelled. Notice of any such cancellation shall be provided promptly through DTC.

In the event that all necessary Consents are received prior to the Consent Return Deadline, the Issuer reserves the right to direct an early consummation of the Consent Solicitation and execution of the First Supplemental Indenture.

If you have any questions, concerning any of the foregoing please contact the appropriate individuals designated on the first page of this Notice.

Exhibit A

FIRST SUPPLEMENTAL INDENTURE

This First Supplemental Indenture, dated as of [____] [___], 2019 (this "Supplemental Indenture"), is entered into by and among ECMC GROUP STUDENT LOAN TRUST 2017-2, a Delaware statutory trust (the "Issuer"), and MANUFACTURERS AND TRADERS TRUST COMPANY, a New York banking corporation ("M&T"), not in its individual capacity but solely as indenture trustee (in such capacity, the "Indenture Trustee").

WITNESSETH:

WHEREAS, the Issuer, the Indenture Trustee and M&T, not in its individual capacity but solely as eligible lender trustee on behalf of the Issuer (in such capacity, the "Eligible Lender Trustee"), have heretofore executed an Indenture, dated as of August 10, 2017 (the "Indenture"), pursuant to which the Issuer issued certain Notes;

WHEREAS, Section 9.2 of the Indenture provides that, the Issuer and the Indenture Trustee, when authorized by an Issuer Order, and, to the extent the Administrator or the Eligible Lender Trustee will be adversely affected, with the consent of the Administrator or the Eligible Lender Trustee, as applicable, with prior notice to the Rating Agencies then rating the Notes and with the consent of the Noteholders of at least a majority of the Outstanding Amount of all of the Notes, by Act of such Noteholders delivered to the Issuer and the Indenture Trustee, may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, the Indenture or of modifying in any manner the rights of the Noteholders under the Indenture; provided, however, that no such supplemental indenture shall, without the consent of the Noteholder of each Outstanding Note affected thereby modify any of the provisions of the Indenture in such manner as to affect the calculation of the amount of any payment of interest or principal due on any Note on any Distribution Date (including the calculation of any of the individual components of such calculation) or to affect the rights of the Noteholders to the benefit of any provisions for the mandatory redemption of the Notes contained therein;

WHEREAS, the Issuer desires to enter into this Supplemental Indenture to make changes necessary in order to replace the provisions currently applicable under the Indenture with respect to a discontinuance of LIBOR;

WHEREAS, the consent of each Noteholder of each Outstanding Note has been obtained;

WHEREAS, neither the Administrator nor the Eligible Lender Trustee will be adversely affected by such correction;

WHEREAS, this Supplemental Indenture has been duly authorized by all necessary action on the part of the Issuer; and

WHEREAS, pursuant to Sections 9.2 and 9.3 of the Indenture, the Indenture Trustee is authorized to execute and deliver this Supplemental Indenture.

2.7 An Appendix B to the Indenture is hereby added as follows:

**"APPENDIX B
TO THE INDENTURE**

**BENCHMARK PROCEDURES
ECMC Group Student Loan Trust 2017-2**

Except as otherwise specified herein or as the context may otherwise require, capitalized terms used but not otherwise defined herein are defined in Appendix A to this Indenture, which also contains rules as to usage that shall be applicable herein.

Notwithstanding the definition of "One-Month LIBOR", "Two-Month LIBOR", "Three-Month LIBOR" and "Class A Rate" in Appendix A to this Indenture and the specification in this Indenture and the related Notes that LIBOR is the applicable Benchmark, if the Master Servicer determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the determination date of the then-current Benchmark, the Benchmark Replacement as determined by the Master Servicer will replace the then-current Benchmark for all purposes relating to the Class A Notes in respect of such determination on such date and all determinations on all subsequent dates. However, if the initial Benchmark Replacement is any rate other than Term SOFR and the Master Servicer later determines that Term SOFR can be determined, then Term SOFR will become the new Unadjusted Benchmark Replacement and will, together with a new Benchmark Replacement Adjustment for Term SOFR, replace the then-current Benchmark on the next Benchmark determination date for Term SOFR, provided, that, prior notice has been sent to the Rating Agencies and provided that an alternative rate has not been adopted by the enactment of a LIBOR Related Amendment.

In connection with the implementation of a Benchmark Replacement, the Master Servicer will have the right from time to time, in consultation with the Administrator, to make Benchmark Replacement Conforming Changes.

Notice of the occurrence of a Benchmark Transition Event and its related Benchmark Replacement Date, the determination of a Benchmark Replacement and the making of any Benchmark Replacement Conforming Changes will be included in the monthly distribution report. Notwithstanding anything in the transaction documents to the contrary, upon the inclusion of such information in the monthly distribution report, the relevant transaction documents will be deemed to have been amended to reflect the new Unadjusted Benchmark Replacement, Benchmark Replacement Adjustment and/or Benchmark Replacement Conforming Changes without further compliance with the amendment provisions of the relevant transaction documents.

Any determination, decision or election that may be made by the Master Servicer in connection with a Benchmark Transition Event or a Benchmark Replacement as described

above, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error, may be made in the Master Servicer's reasonable discretion, and, notwithstanding anything to the contrary in the transaction documents, will become effective without consent from any other party. None of the Trust, the Sponsor, the Administrator, the Master Servicer, the Subservicer, the Depositor, the Sellers, the Eligible Lender Trustee, the Owner Trustee, the Indenture Trustee or any affiliate of any of the foregoing will have any liability for any determination made by or on behalf of the Master Servicer in connection with a Benchmark Transition Event or a Benchmark Replacement as described above, and each Noteholder, by its acceptance of a Note or a beneficial interest in a Note, will be deemed to waive and release any and all claims against the Trust, the Sponsor, the Administrator, the Master Servicer, the Subservicer, the Depositor, the Sellers, the Eligible Lender Trustee, the Owner Trustee, and the Indenture Trustee relating to any such determinations.

Notwithstanding the foregoing, if (i) the Department of Education chooses to use an alternative index other than SOFR or (ii) the Master Servicer chooses an alternative rate of interest as a replacement for the then-current Benchmark other than the first three alternatives set forth in the definition of Benchmark Replacement, the Master Servicer may direct the Trust and the Indenture Trustee to enter into a LIBOR Related Amendment, which shall become effective upon meeting the conditions thereto set forth in the definition thereof.

The Indenture Trustee will have no liability or obligation with respect to any determination of LIBOR by the Master Servicer or the selection of any replacement index and will agree to enter into a LIBOR Related Amendment upon receipt of written direction from the Master Servicer, and satisfaction of the other applicable requirements for amendments under this Indenture, provided that the Indenture Trustee shall have no liability whatsoever for the contents thereof.”
